# VET Locker

Virtually **no cost** to operate.

**Scalable** business with internet driven sales, flexible supply chain, and open 24x7.

**Battery operated** means sales can be made anywhere and anytime.

**Creates jobs** through opportunity for local crafters, one-of-a-kind items.

Meets **impulse sales and convenience** where few or no stores can exist.  
(Middle of the woods camp-site, top of a mountain, the surface of the moon!)
